

PRINTABLE CARDS

Every program needs to be declared between this blocks:

START

END

To create programs with conditional you need and these blocks:

IF

ELSE

These are the some conditionals Code Notes have:

3 is larger than 7

7 is larger than 3

I am older than my mom

My mom is older than me

My mom is older than me

Fork is for drinking soup

Spoon is for drinking soup

You need to build a FOR loop to create things more than once:

FOR

FOR

8 times

5 times

3 times

FOR

2 times

FOR

6 times

FOR

FOR

Code Notes have following outputs by default:

Draw a lion

Draw a horse

Draw a parrot

Draw a rhino

Draw a penguin

Draw a fox

Draw a dolphin

Draw a zebra
